

## Welcome to the Longueville Manor wine experience

In 2018 we unveiled a new state-of-the-art wine cellar, the first of its kind in the Channel Islands and one of only a handful in the UK. The hand-built redwood racking system together with sophisticated temperature and humidity controls, enables us to store over 5,000 bottles in absolutely perfect condition. Adjacent to the Victorian kitchen garden, the cellar's bespoke lighting and fully glazed entrance door allows guests to discover its uniqueness at any time.

This wine list itself is a work in progress featuring almost 600 bins. We endeavour to search out some of the more interesting, drinkable and good value wines from around the world as well as featuring collections ranging from the famous to the classic and from local to New World. Thanks to an ever-expanding selection of House Wines and half bottles, we also aim to offer guests a very affordable experience.

With their extensive knowledge of wine, our highly trained team of Sommeliers work tirelessly together with hotel owner Malcolm Lewis on this unique collection. The Sommeliers are always on hand to guide and help guests make the perfect choice whilst fully understanding that everyone has their own personal tastes and preferences.
