We care about our community and the environment that surrounds us, even more so during these challenging times. Long-standing relationships with local suppliers and the use of seasonal produce are key to us. This lunch menu reflects our valuable support for Jersey agriculture and fisheries as well as making the most of the abundant fresh produce from our very own Victorian kitchen garden and surrounding estate.

Longueville Manor is now fully CASHLESS.

Please note that most credit and debit cards are accepted with the exception of American Express.

All our prices are fully inclusive, however if you would like to reward our team with a gratuity, then please add it to your card payment as cash is no longer accepted.
