We care about our community and the environment that surrounds us, even more so during these challenging times. Long-standing relationships with local suppliers and the use of seasonal produce are key to us. This menu reflects our valuable support for Jersey agriculture and fisheries as well as making the most of the abundant fresh produce from our very own Victorian kitchen garden and surrounding estate.

Longueville Manor is now fully CASHLESS. We accept all major debit and credit cards.

All our prices are fully inclusive, however if you would like to reward our team with a gratuity, then please add it to your card payment as cash is no longer accepted.
