Executive Head Chef Andrew Baird's menus are carefully designed to offer a delightful and well-balanced culinary experience around local and seasonal produce. Besides private dining and corporate events in The Bateman Room, we can also accommodate larger lunches for up to 50 guests in The Garden Room, our main restaurant, as well as pre-dinner drinks in The Wine Cellar.

All events can naturally be tailored to suit your preferences and requirements and our team is always on hand to ensure a successful and memorable experience.

## THE BATEMAN ROOM & THE WINE CELLAR

The Bateman Room is Longueville Manor's private dining and meeting room. A bright and versatile space, it is the ideal setting for your event, be it a special celebratory meal with friends and family or a business meeting.

The room boasts a conservatory with direct access to a private patio and plenty of natural light as well as video and audio facilities that will allow you to set your own ambience!

Our state-of-the-art wine cellar stocks up to 5,000 bottles in perfectly controlled conditions. The working cellar is also the perfect backdrop for drinks and canapés before a private dinner or a bespoke wine tasting. As with all our events, our Sommeliers can tailor any tasting to suit your preferences.

# PRIVATE DINING

The Bateman Room can accommodate up to 36 guests on 4 round tables or 24 on one large oval table. Room hire does not apply for any lunch or dinner over 12 guests. Pre-set menus are available for both lunch and dinner, while aperitifs and canapés can be served in the Conservatory or patio (weather permitting). We can naturally take care of all additional details, from place cards and personalised menus, to flowers and other decorations (charges may apply).

Besides private dining and corporate events in The Bateman Room, we can also accommodate larger lunches for up to 50 guests in The Garden Room, our main restaurant, as well as pre-dinner drinks in The Wine Cellar.

## CORPORATE MEETINGS

We can arrange board meetings for up to 22 attendees. The room hire charge includes: 55" screen with HDMI connectivity, still and sparkling water as well as a tea and coffee station refreshed throughout the day. Should you wish to have lunch, this can be served in our restaurant. Alternatively, we can arrange a delicious buffet or selection of freshly prepared sandwiches.

The Bateman Room can also be used for presentations or product launches. The opening onto a private patio near the main hotel entrance grants easy access while ensuring privacy and discretion.
